

## **Syrma Technology Receives Award from the Government of India for Excellence in Export Performance**

**August 8, 2008:** Syrma Technology was recognized today for their outstanding performance in electronic hardware exports from the MEPZ-SEZ for 2007-2008. Syrma had the distinguished honor to receive a Trophy and Certificate that were presented by Mr. R. Gopalan, I.A.S., Additional Secretary, Ministry of Commerce and Industry, Government of India, at a function organized by the Development Commissioner MEPZ-Special Economic Zone, Chennai, Tamil Nadu. The excellence in export performance award recognizes companies who post high export turnover and growth rate from India's Special Economic Zones (SEZs).

As a pioneer in operating out of India's Special Economic Zones, Syrma and the Tandon Group companies have frequently ranked among the largest electronics exporters out of India, achieving over 40 awards for quality and manufacturing excellence in the last 30 years. Across India, Syrma and the Tandon Group have identified strategic locations to develop and bring on line world class manufacturing infrastructure in dedicated as well as co-developed SEZs.

"We continue to be at the forefront of making India a leader in electronics manufacturing. This award exemplifies Syrma's ability to help our EMS and precision component technology customers grow their business as their manufacturing partner," said Jaideep Tandon, CEO of Syrma Technology. "Our customers rely upon our ability to scale our manufacturing resources on their behalf, while delivering to the high quality levels that they expect."

### ***About Syrma Technology***
